School News:

Welcome back Innovators! We hope that you had a great spring break. April will be a busy month with many important events taking place. The Arizona Academic Standards Assessment (AASA) that is required for all Arizona 3rd, 4th, & 5th graders will be completed. The AASA writing test will be on April 12th for 3rd grade, 13th for 4th grade & 14th for 5th grade. The AASA ELA and Math testing will be on April 19th and 20th for all 3rd-5th graders. Please make sure that your child is well rested and has a good breakfast on those days. The students will test in two different sessions with a break in between to help them stay focused. Please do not make appointments for students on these days. They need to be here all day without interruption.

April is the month of the Military Child. Every year, each state designates a day in the month of April for communities to “purple up” to show support for military children. This gives us a chance to don our favorite purple gear and use the color in creative ways, a color which symbolizes the blending of the official colors of each branch of the United States armed forces. Arizona’s day to ‘Purple Up for Military Kids’ is April 22, 2022!

April is also Autism Awareness Month. This month provides an opportunity to increase understanding and acceptance of people with autism, fostering worldwide support.
