School News:

Congratulations to our Teacher of the Year nominee, Ms. Venegas. Ms. Venegas is an exceptional educator that serves our students and school community with such integrity and commitment. She was selected by her colleagues to represent Dorothy Hall. We are so proud to have her represent our campus!

National School Counseling Week 2022 (#NSCW22), "School Counseling: Better Together," is **Feb. 7-11, 2022**. The purpose of school counseling week is to focus public attention on the unique contribution of school counselors within U.S. school systems. Thank you Mrs. Bickford for all that you do for our students! We appreciate you!

There is no school on Friday, February 18th. Teachers will be participating in our district-wide professional development day. There is also no school on Monday, February 21st in observance of Presidents Day. During the first few weeks of February our campus will be participating in the following activity.

You've Captured a Kid's Heart! Purple hearts will be available in every classroom for students. Students take a heart and write on the back of it the name of any staff member who has touched their heart. Students will, also, write a short sentence about what this staff member did that captured their heart. (Ex: Helped me with my math; Listened to me). Completed hearts may be dropped off in the box in the small conference room during the

Kindness Makes a Difference Week. Hearts will be taped to the staff member's door. REMEMBER: Students may write hearts for any staff member including office staff, custodians, cafeteria ladies, teachers, etc. Also, this is anonymous – DO NOT WRITE YOUR NAME ON THE HEART!

Congratulations
