## School News:

Happy May Innovators! Our school year has once again been an adventure but we got through it together! I am very proud of the students, parents and staff for working so hard to make sure that we had an amazing school year! As the school year comes to a close we will be collecting iPads back from students during the last full week of school during their library time. Kindergarten and 5th grade promotion information will be sent via Class Dojo from your child's teacher. Please be on the look out for that information. Many students will be invited to attend summer school this year. I encourage you to enroll your child if you receive the invitation.

**REMINDER:** Please be cautious when you are driving around our school grounds. I have heard from many concerned parents regarding the speed and the reckless manner that some people are driving. Please remember to join the pick up and drop off lane from 45th Place not Luanne. Do NOT drop off or pick up in the front parking lot/bus lane of school. Patience and respect can go a long way during the busy pick up and drop off times. Thank you!
