## School News:

Happy November Innovators! We are very pleased to share that Dorothy Hall has received an “A” school letter grade from the Arizona Department of Education. According to the ADE, schools that earn an “A” (excellent) have distinguished performance on the statewide assessment, significant student growth, students on track for proficiency and have an overall higher performance than the state average.

We are very pleased to announce three events on campus this month that all parents & guardians are welcome to attend. The Native American Heritage Month performance is on Friday, November 3rd. We will also have a Veteran’s Day program on Thursday, November 9th. Each program will start at 9:15 a.m. There will be no school on Friday, November 10th in observance of Veteran’s Day. Our final event will be the Boosterthon Fun Run on November 17th. Galileo Benchmark testing is scheduled to start Monday, November 13th for students in Grades 3-5. All tests will be completed by November 15th. Please make sure your child is well rested and has a good breakfast. It is very important for them to give their best effort. Thank you!

This month we will be focusing on **Gratitude** as our Character Strong trait. Gratitude is choosing to appreciate the people and things in our lives. We encourage all families to join us with our focus on gratitude by talking about it at home as well.
