**School News:** Happy Fall Dorothy Hall Innovators & families! We are so excited to see the temperatures finally dropping and look forward to being able to enjoy the mild weather. We rescheduled the family event in September to October 21st in hopes that the Covid numbers would go down and we could have it in person. We are currently still under our high/substantial mitigation plan and that will remain in effect until numbers return to a low/moderate level for two consecutive weeks. I would encourage all families to check the dashboard every Thursday. [ADHS Dashboard](#) We will keep you updated about the status of our “Art in the Park” event.

October 1st was the end of the first quarter. All parents have been invited to participate in a virtual parent teacher conference. Conferences were scheduled for Oct. 5th-7th with dismissal at 1:00 p.m. Please make sure that you connect with your child’s teacher about your child’s progress. We appreciate all that you do to support your child’s goals.

This month we will be focusing on courage. We are using this definition at school: **Courage:** To choose what is good, right and kind even when it is hard or scary. We encourage all families to join us with our focus on courage by talking about it at home as well.

Halloween is on Sunday, October 31st. Students may celebrate at school on Friday, October 29th if they choose to by wearing a festive shirt, socks, etc. No costumes will be permitted at school. Thank you for your understanding.

Please continue to monitor your child’s health each day. If they have any signs of illness please keep them home and call the office. We will give you directions about the process to return to school based on your child’s symptoms.

**Reminder:** The lane in front of school is designated for our buses. Do **NOT** pull in front of school for drop off or pick up. At this time, the only parents that may use the front parking lot and enter campus through the front gate are preschool parents or students in Mrs. Ortiz’s homeroom class. **Slow down** when you are in the area of the school. We have students that are walking and riding their bikes to school and we need everyone’s assistance with keeping them safe.

# Congratulations
