**School News:** Happy September Dorothy Hall Innovators & families! As many of you are aware the growth in our school neighborhood has been tremendous over the last few months. Our neighborhood is an active construction zone and we ask that you please respect the lots that are being worked on by not driving through them or using them as a parking lot.

We are thrilled to welcome more students to campus but the additional foot and car traffic requires that we address some safety concerns. Parents we ask that you use the designated areas for drop off and pick up. The pick up and drop off lane wraps all around the school and should be the **only** lane used in the morning and afternoon for parents that do not wish to park. The lane in front of school is designated for our buses. Do **NOT** pull in front of school for drop off or pick up. At this time, the only parents that may use the front parking lot and enter campus through the front gate are preschool parents or students in Mrs. Ortiz's homeroom class.

For our parents that have chosen the option of parking we ask that you be courteous and take turns with the drive through parents that are trying to exit the lane. Please use the sidewalks and don't walk students through the traffic lane. This is not a safe practice. We would greatly appreciate your cooperation.

Finally, I would ask that everyone **slow down** when you are in the area of the school. We have students that are walking and riding their bikes to school and we need everyone's assistance with keeping them safe.

This month we will be focusing on responsibility. We are using this definition at school: **Responsibility**: to take action and understand how our choices affect others, ourselves, and the world. We encourage all families to join us with our focus on responsibility by talking about it at home as well.

We are currently under our high/substantial mitigation plan and that will remain in effect until numbers return to a low/moderate level for two consecutive weeks. **I would encourage all families to check the dashboard every Thursday.** [ADHS Dashboard](#) Please remind your student to wash their hands often and use sanitizer when hand washing isn't possible. If you have any questions about the mitigation plan please call the office at 502-8300 or visit the district website under the Return to Learning tab. <https://www.yuma.org/Return-to-Learning>

**iPad Protection Plan:** We are encouraging all parents to consider the iPad Protection Plan this year. The plan is only \$30.00 and covers accidental damage to the iPad for the school year. The forms are available on our website <https://dorothyhall.yuma.org/Digital-Devices> and can also be picked up at the office. Cash(exact amount) or check payments are accepted at the school office. You may also pay online at <https://yuma.revtrak.net/-digital-protection-plan/>.

Our focus for August was kindness!

*Kindness: the choice to act with words, gifts, or actions to bring appreciation, positivity, and encouragement to ourselves & others*

Students and staff participated in activities and discussion about kindness all month long.

### September 1st-3rd:

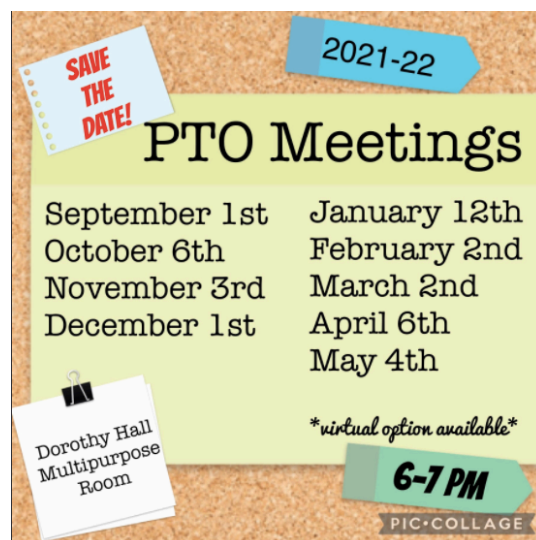

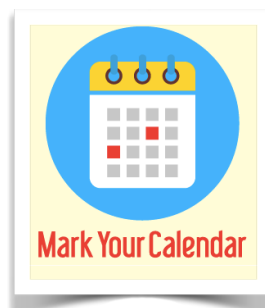

Progress Reports for all students will be sent out.

### September 6th: No

school in observance of Labor Day.

### September 23rd: Art in

the Park 6:00 p.m.
