What type of programs will be offered at Dorothy Hall Elementary School?

We will be an innovative school that offers state-of-the-art classroom furniture and flexible seating. All students will have their own iPad to assist in their blended and personalized learning experience.

- **Kids at Hope** - We will be a school that truly believes that ALL students are capable of success, no exceptions!
- **AVID** - All Dorothy Hall Elementary students will be college and career ready. We will accomplish this by being an AVID elementary school, where students will learn strategies that will assist them to reach their college and career goals.
- **STEM** - Every student will have a STEM (Science, Technology, Engineering and Math) focus embedded throughout their day. Teachers will provide opportunities for students to be creative, explore and work collaboratively on STEM-related projects.
- **Personalized Learning** - Every student is unique. We want to ensure that students have choice and are able to learn at their level and pace. Our teachers will collaborate and plan to ensure that every student has a comprehensive and personalized learning experience.
- **Unified School** - Our school culture will be one that promotes the diversity in all of our students and embraces our differences. We will ensure that all students will have the opportunity to learn and experience all programs offered.
- **Art, Music and P.E.** - Our school believes in educating the whole child and ensuring that all students receive a well-rounded educational experience, which includes innovative learning opportunities in Art, Music and Physical Education.
